**ADJUSTMENT TO SUPERVISION:** Mr. Howard has experienced challenges adjusting to the term of supervised probation. On July 19, 2013, a Report of Initial Positive Urinalysis was submitted indicating on May 20, 2013, Mr. Howard submitted a urine sample that tested positive for cocaine. On June 19, 2013, this officer received notification from Alere Toxicology, Inc. the sample confirmed positive for cocaine. As this use was believed to have occurred prior to sentencing for the instant offense, this officer requested no action be taken at that time. The Court approved this request on July 23, 2013.

On September 18, 2013, a Petition on Probation was submitted to the Court indicating Mr. Howard tested positive for the use of cocaine and he received a citation in Stafford County, Virginia, on September 13, 2013, for Driving after Forfeiture. The Court issued a warrant on September 23, 2013. On October 22, 2013, Mr. Howard appeared for a violation hearing at which time the petition was dismissed and Mr. Howard was continued on probation.

On January 13, 2014, a Petition on Probation was submitted to the Court advising Mr. Howard received a citation on November 22, 2013, in Stafford County, Virginia, for Following Too Closely. On that date, he also admitted to operating a motor vehicle not equipped with an alcohol detecting ignition interlock device. Mr. Howard appeared for a violation hearing on February 25, 2014, at which time he was found in violation. The term of probation was extended for one year beyond the original expiration date of May 19, 2014.
